

Irrigation Pump Sets

60 – 600 m³/hr

Lister Petter driven pump sets operate with tropicalised engine cooling systems to give continuous operation 24 hours a day in ambient temperatures up to 52°C

Features:

- Handle start with 12 volt electric start option.
- Stationary or mobile configuration.
- Tow bar and positioning stands on off-road trailers.
- Integral fuel tank in the base (option)
- Fuel suction probe for use with a remote tank. (option)

Each pump set is configured to ensure optimum performance taking into consideration the height of lift and flow rate - length of the delivery line, appropriate diameters of the suction and delivery lines.

Output— m ³ /h				Total head in metres
